light pole banners

Bannerville is the premier light pole banner company in the midwest and Chicago-land area. We have been printing and installing light pole banners in Chicago and the surrounding areas since 1973.

If you are displaying your banners in the City of Chicago, we are an approved vendor, and licensed with the City. We can forward you all of the correct banner specifications and templates for the particular street you might be using in the City of Chicago.

Bannerville is not only proud of our high quality printing, but we are one of the few Chicago area companies that also offer installation services for all of our products.

We also have in house graphic artists to assist you with your design needs.

features

- √ Heavy-duty 18oz. all-weather banner material
- ✓ Each double-sided banner includes full-color graphics
- √ 3.5" pole pockets added to the top & bottom for hanging
- ✓ Standard & custom sizes available
- ✓ Single & double displays
- Optional mounting system available

bracket hardware

For light pole banners, we recommend the use of our lightweight aluminum bracket system for one and two banner displays. This system consists of an aluminum bracket and fiberglass banner arm, which attach to your poles with stainless steel clamps. The entire system is rust free and easy to install.

Best of all, the system fits any pole with a minimum 4" diameter, and there are no special installation tools needed.

For wall banners, we also offer flat surface brackets which require a 2 week lead-time for production.

features

- √ Standard & custom sizes available
- ✓ We manufacture our mounting hardware in-house
- ✓ Lifetime warranty
- √ Single & double displays
- √ Installation available

wall

We can give any interior or exterior wall a fresh look with custom wall graphics. Every wall graphic is laminated for extra protection.

We can apply a full wall mural, die-cut lettering, logos, and so much more! Do you have a blank surface? We will figure out the best material to get the job done right.

window

One of the most versatile marketing tools, window graphics are durable when exposed to sunlight and quick to install. Full color graphics allow your artwork, branding, and message to be advertised in a colorful, eye-catching way. Cover an entire window or create custom die-cut shapes of your logo on the inside or outside of your windows.

popular applications

- √ Opaque
- √ Perforated
- ✓ Frosted Privacy Film
- ✓ Clear Static Cling
- √ Translucent
- √ Window posters

floor & sidewalk

This is the digital age and everyone is always looking down at their phones. Grab their attention with sidewalk and floor graphics.

Interior floor graphics are great for retail stores, school logos, event advertising and more.

Outdoor graphics are perfect for outdoor marketing, events, and important info.

features

- √ Slip & scuff resistant
- ✓ Custom size or shape
- ✓ Cleanable surface
- √ Removable
- ✓ Withstand pedestrian traffic & outdoor elements
- √ Can be applied to almost any type of surface

door

Doors are an underutilized marketing surface that people walk through every day. Take advantage of that blank space by covering it with your branding, colors, logo, or message!

elevator

Transform a set of elevator doors into advertising space for your business or use them to display beautiful artwork that improves the elevator ride experience.

stairs

Another underutilized space, stairs are a very unique place to advertise or further your branding. They are unexpected and appreciated by everyone.

Improve the face of your stairwell with branding, motivational quotes, core values, event advertising and more to your employees and visitors as they climb the stairs!

popular applications

- ✓ Event branding
- ✓ Corporate & retail branding
- ✓ Motivational quotes
- ✓ Sponsors & advertising
- √ Logos or mascots

vehicle

Get more mileage out of your marketing with vehicle graphics. Improve your brand on the road with custom wraps for buses, cars, trailers, and more.

exterior

Entrance signs make a lasting impression. Whether it's your building entrance or your parking lot, you will get noticed. Customized around your brand, we design, build and install quality signs that are durable and will last for years to come.

popular options

- ✓ Entrance signage

exterior banners

Produced on an 18oz. blockout vinyl, our exterior banners can be used on fences, buildings, or just about in any other outdoor application imaginable.

interior banners

We offer a 13oz. vinyl which is economical, yet offers you a great print surface on one or two sides. For those applications where a more formal effect is needed, we can print single sided on a curl free vinyl, canvas, or polyester fabric.

flags

Flags are great for grabbing attention in exterior or interior settings. Perfect for your home or event.

All flags are printed on nylon and finished with grommets.

features

- ✓ Double or single side
- ✓ Custom & stock designs
- ✓ Custom & standard sizing available

windscreen & mesh

Our Mesh material is lightweight and ideal for high wind conditions. Mesh is most often used for fencing windscreens at athletic facilities and event stages. Our mesh fabric can also be used indoors to give you a different look.

This material comes in different weights and can be printed single or double sided.

popular applications

- ✓ Pole Banners
- √ Stage Banners
- √ Windscreens for fence

yard signs

Yard signs can be used as a revenue source for your school team, booster club, event, or business. Let everyone know you are holding an upcoming event, for directional signage, or to advertise sponsors!

site signs

For some applications, a vinyl banner just does not do the trick. You might want a more rigid or permanent look. That is where semi-permanent in-ground signs come into play. Our signs are durable and resistant to corrosion, rust, and the outdoor elements.

Our sales team can help suggest a substrate that will work best for your unique situation.

backdrop displays

These large scale fabric displays can be used as a backdrop for your trade show booth, or step and repeat at your event. They are also great when used as a photo backdrop.
